

Letter of Recommendation

November 27, 2024

To Whom It May Concern,

It is with great enthusiasm that I write this letter of recommendation for Muzammil Ahmed. As a colleague at Webicient I have had the privilege of working closely with Muzammil on various projects, and I am consistently impressed by his exceptional skills as a full-stack developer and his dedication to delivering high-quality results.

Muzammil has been instrumental in handling diverse aspects of our development processes, expertly navigating both front-end and back-end tasks. His proficiency in PHP and JavaScript has been particularly valuable, enabling him to tackle complex coding challenges and implement robust solutions efficiently. Whether building new features, optimizing existing systems, or debugging intricate issues, Muzammil consistently demonstrates an in-depth understanding of modern development practices and a commitment to excellence.

Beyond his technical expertise, Muzammil stands out for his collaborative approach and proactive attitude. He is not only highly skilled but also a great team player who is always willing to share his knowledge and support his

colleagues. His ability to communicate complex technical concepts in an accessible manner fosters productive teamwork and ensures alignment across different departments.

Muzammil's contributions have significantly impacted the success of our projects, enhancing the functionality, performance, and user experience of our applications. His reliability, creativity, and problem-solving abilities make him a tremendous asset to any development team.

I have no doubt that Muzammil will bring the same level of excellence and professionalism to any organization fortunate enough to work with him. I wholeheartedly recommend him and am confident in his ability to excel in any endeavor he pursues.

Should you require further information or wish to discuss Muzammil's qualifications in more detail, please do not hesitate to contact me at arvin@webicient.com or +46-700 36 52 81.

Sincerely,

Arvin Saadati

CEO
